2. Our Race (ART07)

The weather (windy, foggy and cloudy).

Islamic Studies

Helping your child

Choose a time to practise the Arabic letters and numbers when your child is not feeling tired or reluctant.

Mornings can be a better time than after school. Short but frequent times, (five or ten minutes), spent together enjoying activities which practise the Arabic letters and number skills are the best way of helping young children to become confident.

Give plenty of praise and encouragement.
